

Yerkes Associates, Inc. Consulting Engineers / Municipal Services / Site Planners / Surveyors

Yerkes Job Openings Civil Land Development and Municipal Engineers

Yerkes Associates, Inc., since 1874, is one of the oldest established firms in greater Chester County, PA and has full time job openings for Civil Engineers with Land Development and Municipal experience.

Candidates must have a minimum of 4 years experience in civil design with a BSCE (or higher). Pennsylvania PE Registration or ability to gain a must. Candidates must have proven experience in the following: site grading, sanitary & storm sewers, storm water management, hydrology and hydraulic calculations, PaDEP NPDES and other PaDEP permitting, municipal site permit applications, and in the creation of construction documents including preparing technical specifications.

Will consider civil design engineers with EIT and proven experience in civil AutoCAD. All Candidates must be competent in Auto CAD; have good technical writing skills; the ability to work in a team environment; and excellent interpersonal skills. Strong emphasis, on the ability to respond with professionalism, to specific issues with clients, and/or between landowners, builders, developers, and municipalities is also a must.

Yerkes Associates, Inc., an Equal Opportunity Employer, offers a professional office setting, a competitive salary and benefits package including continuing education reimbursements. Interested Candidates please submit resume and verification of credentials to Danielle Stoltzfus at dstoltzfus@yerkes-assoc.com or contact Nick Cirilli, PE at 610-644-4254 for additional information.
