Announcement

We are pleased to announce the addition of Fran Greene, PE to our Engineering Team. Fran brings a broad range of experience, especially in the realm of storm water management on difficult sites, including in densely populated areas such as Philadelphia, or in sensitive flood-prone areas requiring complex flood modeling.

He comes to us needing no learning curve, as he steps into his role as Project Manager, in both Residential and Commercial Plan Reviews of site design, grading, storm water management, E&S, NPDES permits, planning modules, permitting and Water Resources.

Highly motivated and organized with strong analytical and problem solving skills, Fran also has proven project management and leadership skills through a diverse career path that included not only designing, but also overseeing hundreds of telecommunications sites, during the course of his career.

Fran Greene, PE
Project Manager

Bringing over (21) years of experience to the Yerkes team, Fran obtained both a Bachelor's and Master's Degree in Civil Engineering from Villanova University. Honing his skills as a solid communicator; Fran was also a Graduate Assistant while earning his Master's Degree. He also has (24) credits towards a PhD from Penn State University, where he continued to hone his leadership skills while assisting in preparing and presenting short-courses for continuing education, in addition to his research in wetland studies and teaching Fluids and Hydrology.

Residing in West Chester, Pa., in his spare time, Fran enjoys spending time with his wife, Jessica, his son Ryan (7) and twin daughters Allison and Emma (4).

Fran also enjoys activities which include coaching his son's baseball team, riding his bike with his family and rooting for the Villanova Wildcats.

Since 1874, Yerkes Associates, Inc. has a long and proud tradition of serving clients. We continually strive to improve our company to better serve our clients, and we believe that Fran is a tremendous asset to our company and to our clients.

Please join me in welcoming Fran to Yerkes and feel free to contact me or Fran if Yerkes can be of service. (email: fgreene@yerkes-assoc.com phone: [610-644-4254](tel:610-644-4254)).
