Michael Conrad, PE Celebrates 30 Years of Service with Yerkes Associates, Inc, a cirilli company

Michael Conrad, PE, recently celebrated 30 years of service with Yerkes Associates, Inc., a West Chester based consulting engineering & surveying firm established in 1874.

Conrad, (BS, Geology, Penn State, MS, Environ Engr, Villavona) started with Yerkes in 1987 as a surveyor and has steadily progressed to his current position of Vice President Municipal Services. Conrad is a licensed Professional Engineer in the State of Pennsylvania (since 1994)

He has been involved with every aspect of the company's services including design, wetlands delineation, code assistance, PaDEP and PennDOT permitting, and has become a subject matter expert on PaDEP's new (Municipal Separate Storm Sewer System (MS4) program.

Mike has been serving as Township Engineer for Willistown Township since 2000; Thornbury Township, Chester County (since1995), and Edgmont Township, Delaware County (since1998).

Mike currently resides in Willistown along with his wife, Donna. They have (4) children; Sean, Kerry, Ryan, Megan.
