

Patricia A. Nicolai
Building Codes Administrator / Coordinator

Education:

DE County Community College, 1989 – 1990 Business Mgmt. Courses
Upper Darby High School, 1986 - 1990

Responsibilities and Experience

Patti has overseen the re-design of numerous multi-family and single family dwellings, over the past 20 years. She was able to take skills she was taught as a young adult, working as a laborer on construction sites, for her family's general contracting company, of which she used towards real world solutions, incorporating her lifelong passion for interior design. She also has a thorough understanding of the building trades.

Patti has many years of business management, in multiple fields. Her range of management experience has included managing a residential & commercial interior design department, in her early twenties. Then, assistant to the managing partner of a large real estate firm, which led to becoming a Loan Officer in a Philadelphia Company.

All of which gave Patti the acquired experience needed to successfully turn a distressed real estate portfolio into a well-organized and established business today.

She currently oversees all administrative duties and is the Field Service Coordinator of a full service, Third Party Inspection agency of which has formed an alliance and associate partnership with Yerkes Associates

Patti has been the Building Codes Administrator / Coordinator for NP Management, Folsom, PA starting in April 2007 to present.
