

## Stephen Nicolai Survey Technician

### **Education:**

Kutztown University (2018)  
BS in Business Administration

### **Responsibilities and Experience**

A recent addition to the Yerkes Survey Team, Stephen came to us in June, 2020, leaving a supervisor's position with Kohls Department Stores. What was eye-catching on his resume, that was further validated during his interview, was his career goals: *"To use the communication and leadership skills I have acquired through my education and work experience to serve my employer in the best way possible."* With a love for Math and the outdoors, Stephen immediately fit in to the Yerkes survey team concept.

Working with crew chief Fred D'Ortone, Fred was immediately impressed with his attitude, willingness to learn, and great interpersonal skills, especially when interacting with a client.

In his spare time, Stephen enjoys cooking, drawing, working out, and playing basketball. Stephen also gives back generously to the community volunteering at City Team Chester, preparing and serving food.
